The Packway Canine Boarding Facility was completed in 2009 on 37 acres of meadows, woods, and walking trails adjacent to the owner/operators residence. Air conditioning, radiant in floor heat, and a raised cot in each kennel assure your best friends comfort.

The importance of exercise and socialization cannot be overstated. Social dogs can spend their days playing in our secure, fenced 3-½ acre exercise yard (weather permitting). We believe dogs are happiest in a quiet setting with lots of human interaction. Therefore we never board more than 12 dogs at any given time. This allows for proper supervision of the exercise/ socialization yard.
